Countryside Learning are pleased to confirm that Mr and Mrs Lloyd are hosting another wonderful Countryside Day for primary school children on Wednesday 18th May 2022.

The objectives

The objectives are for the children to learn more about the countryside and farming.

What's happening?

The children will spend the day on the farm and will rotate around a carousel of 6 activities-these will include activities related to the farm and the countryside around it.

- Learning about the cattle on the farm
- Gardening and seed planting
- Food and farming
- Tractors and Farming
- Countryside crafts- make a dragon fly
- Habitats and food chains

What will it cost?

The days are **free**.

Who's is for?

The day is for any children - Reception to year 6.
